Greetings to all

Welcome to our second meeting of the year. I want to remind everyone of the goal I announced at the January meeting for us all to try and project a more welcoming and friendlier atmosphere to any new or newer member as well as any visitor that might be present. Any or all visitors will be recognized but make an effort to welcome anyone you are not familiar with. This should always be our goal to become a friendlier club. Engage in friendly conversation with any and all members.

I want to encourage everyone to try and make the meeting February 13th, weather permitting. You will be updated on the upcoming inspection day and the latest developments concerning the spring tour to Hutchinson, Kansas.

I wish everyone to stay healthy, warm and safe. I look forward to seeing all of you at the meeting.

Quotations of Henry Ford

"The gifted man bears his gifts into the world, not for his own benefit, but for the people among whom he is placed; for the gifts are not his, but he himself is a gift to the community. This is the way Life gives gifts to the people; it wraps them up in men, and sends them forth."

Trailer Incidents

I have a car hauler trailer that comes in handy for some events far from home. I keep it in a storage yard away from the house.

There was an "incident" in the storage yard a few months ago and no one on the scene had any contact information to call me about it. I learned about it several weeks after the fact.

After that happened, I made up a weatherproof sticker with my phone number and name on it and attached it to the trailer.

After doing this, I have been thinking that this information would also be helpful any time I park the trailer somewhere while we are off driving the Model A at an event.

This might help you avoid a big hassle with your trailer. (We can hope.)

Have a Model A Day! Jim

PAJAMAS

By Lois Przywitowski

"Because they have grace and chic --- because they are equally practical and comfortable -- pajamas are the outstanding and best-beloved of all fashions. The little girl, the dignified hostess and her youthful guests . . . all attire themselves smartly for almost every occasion in these smart new designs." Pictorial Review, June 1931

Pajamas have a long history in clothing. According to Wikipedia the original pajama was worn by both sexes in South and West Asia. It was known as *pajama*, a "loose, lightweight trouser fitted with drawstring waistband." The word *pyjama* or pajama derives from the Persian word *payjameh*.

The British adopted the pajama during the period of their expansion, adding a top and jacket. By the Model A era, the pajama was worn for beach wear, sporting activities, entertaining at home, and dancing, as well as sleeping and lounging.

The following images show the many styles and uses of the pajama.

These smart two-piece pajamas could be purchased with or without the Coolie Coat. Both the pajamas and the coat were made from knitted Rayon Jersey, hand-painted and guaranteed washable.

The pajama top is a contrasting color slipover with matching trouser trim at the neckline, arm holes and lower edge.

The trouser legs have contrasting trim to match the top.

The Coolie Coat features contrasting color trim around the sleeves and the entire coat.

As a set, it makes a lovely negligee or lounging ensemble.

PAJAMAS

This formal pajama, just right for entertaining, features a contrasting bell-sleeved jacket.

Pictorial Review, June 1931, Pattern Number 5668

Straight from Paris, this graceful, floral, print pajama is perfect for formal evening wear and dancing. Designed for sizes 14 to 42, size 16 requires 5 3/8 yards of 39-inch print.

Pictorial Review, June 1931, Pattern Number 5668

This formal pajama ensemble is just right for entertaining. The pajama is set off by a sheer bell-sleeved wrap. The graceful hemline of the wrap begins above the knee and tapers beyond floor-length. Designed for sizes 14 to 42, size 16 requires 4 7/8 yards of 39-inch material and 5 3/8 yards of sheer fabric for the wrap.

JANUARY CLUB MEETING

by Editor

The hot topic at the January club meeting was the Model A Inspection Day at the Harris Garage. It was originally scheduled for January 29th, but has been rescheduled to February 26th. There was a lot of discussion at the meeting about what to expect for your vehicle, and it sounds like it is going to be very organized. Ray Callan brought in a wheel (picture below) from his vehicle for an informal show and tell. Refreshments were plentiful, and Bill passed around a refreshment signup list for future meetings. The registration forms for the Spring Tour were also passed around. Bill said we were going to have more cars from the Sooner Club than from the Tulsa Club. Those of us who had been on the tours before chuckled about that because we know that Tulsa always outnumbers us, but we hope that everyone can attend, regardless of which club is home for them. If there are any of those doubts about whether the A will make the trip, its perfectly okay to drive the modern car. Many of us have done it. We want to enjoy touring with the cars, but really, if you think about it, the relationships that we have are with the people, and not necessarily the cars.

Bill recognized and thanked the 2021 Board Members. There was an appreciative round of applause for Chuck and Don, our superb unofficial tour planners. Some of us have had small glimpses of all the effort that is necessary for successful trip planning, all the repetitive followup phone calls to verify and re-verify all the details for everything, the repeated travel over the roads to make sure the directions are correct, making sure that we have places to stop for gas and lunch, looking for the best places to have our lodging and dinners, searching for the easiest path for us, and the exhilarating pursuit of all the companies and organizations that are kind enough to donate our goodies for the goody bags.

Don was the winner of the door prize. Will had a computer presentation with the Sooner Model A Club Facebook page and showed us how to update our personal information in preparation for the new directory on the Sooner Model A Club website. There was also a place on the website to add mileage, which we use to prepare for the 1,000 mile challenge awards. Ken Corder was recognized as the special guest and newest member. Ken is originally from the Okie A's Club. We were sad to hear that the Okie A's closed down, but we are very happy that Ken has joined us. Ken is also a photographer, with camera ready for action.
