

Scuttlebutt

Greetings to All,

It has been a hot and stormy August so far, which makes it a little bit difficult to get out in the Model A, but we know the cooler weather is on the way and we will have more trips in the A after all the heat subsides.

We were very pleased to have ten people for the train ride at the Oklahoma Railway Museum. Don't forget about our Club meeting on 22 August and Breakfast at Simone's on 26 August. We will have watermelon at the August meeting.

The Sooner Club is sponsoring the joint tour with the Tulsa Model A Ford Club on 8-11 October. We will be visiting some very exciting venues in Guthrie and Oklahoma City. We are always awed and impressed with the great participation of Tulsa club members.

The cooler weather is on the way. In September, we have the Mustang Western Days parade, and we are visiting the museum and taking the trolley ride in El Reno. At the September club meeting, we will have the vote on the club officers for 2024. In October, we are looking forward to the Czech Parade in Yukon, the Fall Tour, and the Mansions Car Show with the free lunch. At the Mansions last year, Terry Joy won the prize.

There was some discussion at the board meeting about changing the meeting day back to a Sunday afternoon. We want to accommodate as many of our members as possible, but we will need your input. If you have any suggestions, please attend a board meeting and let us know.

We are looking forward to seeing you at one of our events.

Minutes of the Club Meeting July 25, 2023

July 25, 2023: Club Meeting; Will Rogers Garden Center, 3400 NW 36th St, OKC

- The Club meeting was called to order at 7:00 pm by President Don Mitchell, who announced that we should eat the ice cream before it melts. When the meeting was called back to order, Don thanked those who brought the refreshments. Phil won the drawing for the 50/50 pot.
- The minutes of the June meeting were in the July Scuttlebutt. Minutes were approved.
- Treasurer's report was presented by Jerry. Motion to accept the report carried.
- Don reported that Phil will be the Chairman of the Nominating Committee. Carla volunteered to help. The slate of officers for 2024 will be presented to the members at the September meeting.
- Don reported that the Club will serve watermelon at the August club meeting.
- Don reported that the Edmond Liberty Fest parade had nine Model A's and won the "Most Patriotic Award." We also had seven cars in the Bethany parade.
- Don gave details for the train excursion at the Railroad Museum on August 5th. The train departs at 11:15am so we should arrive by 10:15am and make reservations in the air-conditioned B car. Ticket price is \$12.00 and the group will go to lunch following the train ride.
- The Club will host the Fall Tour in Guthrie/OKC on October 8-11. Cost for all events will be \$25 per person. (Registration form and Itinerary are on pages 6-7.)
- The Club will meet for breakfast at Simones (1202 S Division St, Guthrie) on August 26th, 9am.
- Phil gave an update on Kaye Sage's condition. She is still in the hospital in Texas.
- Editor Chuck was not present. Webmaster Jim was not present.
- It was suggested that we visit the museum at El Reno and take the trolley ride. Don will get more information about it.
- After the meeting adjourned, the group played several games of card bingo. Phil was the caller for the games. Prizes were given to those who had bingos.

Minutes of the Board Meeting August 1, 2023

August 1, 2023; Board Meeting; Johnnie's, 2652 W. Britton Rd, OKC

Vice-President Phil Wolfenbarger - Present
Treasurer Jerry Phillips - Absent
Web Master Jim Yates - Present
Director Greg Hoyle - Present

- Members in attendance: K. Meritt, Sheryl Hoyle, Carla Newton, Vicky Yates
- Meeting was called to order at 6:32 p.m. by President Don.
- Minutes of the last meeting were published in the July newsletter. No corrections were made.
- Treasurer's report was presented by Don as Jerry was unable to attend. The operating account had a beginning balance of \$1,071.86 and an ending balance of \$1,071.86. Report was accepted.
- Don presented the bid from Earl's Rib Palace for the Club Christmas Party. He suggested that we charge \$25.00 per person and the Club be responsible for \$1.00 per person plus the tip. Approved.
- Don reported that he has only received 7 registrations for the Fall Tour.
- The club will have a tour of the Oklahoma Railroad Museum and take a train ride on August 5th. The cost is \$12.00 for the train ride. Cars A and B are air conditioned. Those who plan to attend should arrive by 10:15am to purchase tickets and the train will depart at 11:15am for a 45 minute ride.
- Don presented the possibility of doing the Tour and the Trolley Ride at the museum in El Reno. The date will be September 16th. Those who are interested should meet at the museum at 10:00am. Lunch will be decided by the participants.
- Phil reported for the Sunshine Committee. He said that Kaye is still in the hospital in Dallas, but she is improving, and hopes to be home this weekend.
- Phil gave the report for the Nominating Committee. The slate of officers for 2024 has been filled and nominations will be taken from the floor at the Club Meeting. The proposed officers are as follows: President: Don Mitchell; Vice-President: Phil Wolfenbarger; Secretary: Vonnie Meritt; Treasurer: Kay Meritt; Director: David Swain; Director: Joe Astafan; Editor: Chuck Dusenbery; Webmaster: Jim Yates. Nominations will be accepted at the September Club meeting. If there are no other nominations, the slate listed will be accepted by acclamation, in accordance with the bylaws.
- Don reminded the board that the August meeting will be the Watermelon Event. Phil will oversee the meeting since Don will be out of town. Phil will also do a presentation about the Model A brakes.
- Don brought up a concern about club attendance since the meeting change to Tuesday evening. There was much group discussion. The topic was tabled at this time.
- Webmaster Jim reported he will update the website for upcoming events. He reported that he received a bill from GoDaddy for the upcoming year. Phil suggested that the Editor have access to assist with updating the website. Chuck asked if the 1,000 mile challenge would be on the website, and Jim said he would find out.
- Editor Chuck requested pictures from people attending events. Chuck said he is working on the Club registration for the Blanchard Veterans Day parade.
- Greg reported that he looked for bricks for members who have passed away while he was visiting the Gilmore Museum. Topic was tabled at this time pending additional information about the bricks.
- Meeting adjourned at 7:11 p.m.

QUOTATIONS OF HENRY FORD

"I will build a motor car for the great multitude...constructed of the best materials, by the best men to be hired, after the simplest designs that modern engineering can devise...so low in price that no man making a good salary will be unable to own one-and enjoy with his family the blessing of hours of pleasure in God's great open spaces."

Ref: Quotations of Henry Ford
 Applewood Books
 Bedford, Massachusetts

The Beginnings of the Model A Ford (1928-1931)

Ford produced the last Model T in May 1927 and shut down production after more than 15,000,000 Model Ts were built in order to tool up for the new model. The very first Model A engine was completed at the Rouge plant in October, 1927 and was placed in a 1928 Tudor Sedan, which Henry Ford gave to his close friend Thomas Edison.

Ford was very secretive during this time; there was no news about the new Ford model until the day before the car was introduced on **December 2, 1927**.

Advertisements ran in newspapers all across the country showing the pictures of the 6 new models: the Tudor, Fordor, Roadster, Coupe, Sport Coupe, and Phaeton.

Prices ranged from \$385 for the Roadster to \$570 for the Fordor Sedan.

Millions of people flooded Ford showrooms to get a glimpse of the New Ford. Very few cars were actually available at that time. As of January 1, 1928, only 5275 engines had been produced, and not all of them had been installed in a chassis and shipped to a dealer.

When Model A production ended in March, 1932, there had been 4,849,340 Model As made in all styles. Its successor was the 1932 Model B, which featured an updated 4-cylinder engine, and the 1932 Model 18, which introduced Ford's new V8 engine.

ERIE CANAL Sam Patch Packet Boat August 9, 2023

The Editor is cruising the legendary Erie Canal, which is considered by many to be the eighth wonder of the world, on the Sam Patch, a replica historic packet boat, named after a 19th century mill worker who became famous for jumping off waterfalls. The boat excursion is from the historic village of Pittsford through Lock 32, following the same east/west route as in the earliest days of the canal. Lock 32 began as a ditch and transformed a wilderness settlement into America's first boomtown. Packet boats used to carry mail, supplies, and travelers all the way into Ohio and Virginia.

MAFFI MUSEUM EXPANSION

July 14 - The Model A Ford Foundation (MAFFI) museum at the Gilmore Auto Museum complex in Hickory Corners Michigan is planning an expansion of the existing Model A museum. The museum opened in 2013 and is filled to the brim with Model A vehicles, exhibits, and interactive displays. More room is needed for additional vehicles and exhibits.

MAFFI recently released a YouTube video showing what is there now and the plans to double the existing museum space in the next 2 years. To view that video, [Click Here](#).

Model A Era fashion patterns (1928-1931) are shown on the following pages. Some patterns also included have the “look” of the era but have no documented dates.

The collection of Model A Era clothing patterns that was previously known as the “MAFCA Pattern Project” was sold to a MAFCA member who is offering the patterns for sale through another company. See the MAFCA Suppliers page under ORDERING INFORMATION, below.

Scans of the three-hundred pattern envelopes will remain on the website for your enjoyment as well as an educational tool. We hope these pattern envelope images inspire you to create your own Model A Era ensemble.

There is also a hard copy catalog of these envelope scans available from MAFCA. There is some discussion of fitting and sewing Era patterns in *A Book of Fashion Facts* published and available from MAFCA. Go to the [MAFCA STORE](#) for both of these items.

Torque Values For Model A Nuts & Bolts

The expression, "a little knowledge can be a dangerous thing," is usually true. I have learned this lesson the hard way at times. My thanks to Enrique J. Klein of Los Altos, CA for pointing out to me some stated torque value errors and asking that I reevaluate some of the stated Model A torque values given in previous publications. In most of the previous articles, including some I have written, a specification table is included that comes out of an engineering handbook that shows torque values for the different size bolts, giving bolt size, threads per inch, and torque value for different grade bolts, with dry or lubed threads. It's up to the reader to determine which torque value should be used.

There are many factors to be considered when apply-

ing torque to a bolt or nut: bolt size, bolt grade, dry or lubricated threads, and how many times the threads have been torqued (stressed).

Before torquing a nut or bolt, make sure the threads are dry to obtain a more accurate reading. Clean all threads and make sure they have not been stripped or show evidence of overstressed or stretched threads. Many of you have asked for a chart listing the recommended torque value for the specific torqued nuts and bolts on the Model A. The table below lists the recommended torque values.

For additional information see *The Restorer* article, "Nuts and Bolts for Model A" (September/October 1976, Volume 21, Issue 3).

Model A Recommended Torque Values

OKLAHOMA CITY, OK 73148

The **SOONER MODEL A CLUB** is a non-profit organization affiliated with the Model A Ford Club of America. All correspondence for the club should be sent to the above address. General Meetings are held on the fourth Tuesday of the months of January thru November. Meetings commence at 7:00 pm, and are held at Will Rogers Garden Center at 3400 N.W. 36th Street in Oklahoma City. All members are welcome to attend the club's Board Meetings, which are held on the first Tuesday of each month at a location designated by the President and advertised in the Scuttlebutt. Membership dues are \$20.00 per year. The primary requirement for membership shall be an interest in the objectives of the organization and a desire to participate in its activities. Actual possession of a Model A Ford is not a necessity. A member must be of good character as to be of benefit to the club, its functions and activities. An active member must be a member of the Model A Ford Club of America (MAFCA). MAFCA dues are \$50.00 per year, and can be paid here: [Model A Ford Club of America \(mafca.com\)](http://Model A Ford Club of America (mafca.com))
