Meeting
September 15, 2024
2:00 pm

Will Rogers
Garden Center
3400 NW 36th St
Oklahoma City OK

I am looking forward to the Fall to enjoy our 1930 Model A Fordor. Fall is a great time to see the state we live in and enjoy the beautiful scenery. The weather is usually very cooperative, and all of us can have a fun time.

We have planned a trip on Wednesday, the 18th of September, to the Infant Jesus Shrine in Prague, OK. After the tour at the Shrine, we will have a great meal at Mamaw's Café in Prague. As you know, we are an eating club that drives old cars. Thank you, Joe and Helene Astafan, for arranging this beautiful tour.

Next, we plan to have a picnic on Saturday, 21 September, at Phil Wolfenbarger and Kaye Sage's house. They will provide Hot Dogs, and everyone can bring a dish to share. We have two parades coming up. The first parade will be finished when you receive this message, but I want to thank David Swain for arranging Mustang's Western Days parade on Saturday, September 7th. The next parade, the Czech Parade, is on Saturday, the 5th of October, in Yukon, and thanks to Phil Wolfenbarger for setting this up.

The Fall Tour, planned and arranged by the Tulsa Model A Ford Club, to Van Buren, AR, is set for October 17 – 20, 2024. They have a fantastic tour planned for everyone. I know our regular Club meeting is at 2 PM on the 20th of October but we plan to be back in time for that meeting, as we plan to leave Van Buren very early. We discussed changing the meeting date, but it is difficult finding another date at the Will Rogers Garden Center because of the competition for the meeting rooms.

A warm welcome is extended to all Model A-er's and friends to join us at our club meetings and/or one of our outings. The Board is always open to any new ideas or suggestions for future events. It takes involvement from everyone to make a successful Club. Thank you to everyone for all you have done for this Club.

2024 Fall Tour

Van Buren/Ft. Smith, AR

October 17 – October 20, 2024

Fall is just around the corner, and it is time to plan for our annual Fall Tour. This year we will be traveling to Van Buren/Ft. Smith, AR for a few days of touring, renewing friendships, and enjoying our Model A's. We are hopeful that we will enjoy some fall colors as we drive to Van Buren and the surrounding area.

This year's agenda has both scheduled tours as well as optional tours in an attempt to provide participants with more options on where you want to spend your time. While we encourage all to participate in the scheduled tours, we know they might not fit everyone's needs.

We will be hanging our hats at the Holiday Inn Express in Van Buren. The phone number is 479-471-7300, room rate \$148 plus taxes, breakfast included. 30 rooms have been blocked until October 3. QUOTATIONS OF HENRY FORD

"What I greatly hope for these children everywhere, is a new attitude toward life--free from the gullibility which thinks we can get something for nothing; free from the greed which thinks any permanent good can come of overreaching others; and, above all, expectant of change, so that when life gives them a jolt they will be fully prepared to push on eagerly along new lines."

Introducing the New Ford Model A
Ford Industrial Exposition
New York City
January 1928**

Henry Ford and Edsel Ford introduced the Model A on December 2, 1927. After 19 years of Model T production, the public was eager for Ford Motor Company's new car. It took six months of intensive design work and plant retooling, but the Model A was a hit. Ford sold nearly five million cars over the Model A's four-year production run.

Jim's Tech Tip Identifying Your Carburetor

When ordering parts or looking up adjustment specs for your carburetor, it is important that you identify which one you have. Below are 4 of the most common carbs used on a Model A with the gasket sets they use, which gives you a feel for the shape of the casting and bowl. Until next time, *Have a Model A Day!* Jim
