2025

Dear Sooner Model A Club members,

As March arrives, we are hoping the very cold weather is over. Even though it was cold and windy, there was an impressive turnout of Model A’s for the tour at Great Plains Cotton Gin last month. We had lunch afterwards at Nachitos Mexican Restaurant in Minco. Thank you to Greg and Sheryl for arranging the cotton gin tour and the lunch.

The National Cowboy and Western Heritage Museum requested a Model A for the Catholic Charities fundraiser at the Green Tie Gala, so Don volunteered to take his car over for the evening. Chuck was with him and took some pictures. The pictures are also on the Facebook page, and there was some speculation that the party was to honor Don, but that has not yet been confirmed.

We look forward to getting our Model A’s out again for three parades that we have planned for the Spring. First is the St. Partick’s Day parade in Stockyards City on Saturday, March 15<sup>th</sup>, then we have the 89er parade in Guthrie on April 19th, and the Armed Forces Day parade in Del City on May 17th. I hope everyone can participate in at least one or more of the parades. Driving the Model A in a parade is fun for us and it brings enjoyment to so many people.

The Spring Tour, hosted by the Tulsa Club, is scheduled for April 24 to 27 in Ponca City. The Tulsa Club has lots of activities planned for us. Information about the tour is included in this issue, so we can make our reservations and mark our calendars.

Thank you, everyone, for paying the \$20.00 annual dues. The dues have remained at \$20.00 for many years, even as our expenses keep going up. We hope to see you at an event, or a meeting, or somewhere along the Model A road.

Phil Wolfenbarger, President

## Jim's Tech Tip

### Clutch Pedal Free Play

It is easy to forget to check the Clutch Pedal Clearance (or Free Play) now and then, but you really do need to check it. I press down gently on the pedal with just a couple of fingers, to judge how far down the pedal goes before you are pressing the throwout bearing against the clutch "fingers". If you do not have an inch of movement, follow the instructions below. A little extra free play will not hurt anything.

#### *Clutch Pedal Clearance*

The correct clearance or play for the clutch pedal is approximately 1". That is when the clutch pedal is depressed there should be about 1" movement in the pedal before it starts to disengage the clutch.

As the clutch facings wear this clearance or movement gradually grows less. Consequently it should occasionally be checked. Under no circumstances should the car be driven without clearance or play in the clutch pedal.

#### *Adjusting Clutch Pedal Clearance*

The adjustment is easily made by removing the clevis pin (see Fig. 4) and turning the release arm rod. Screwing the rod in decreases the clutch pedal play. Screwing the rod out increases the play. After making adjustment, be sure to replace clevis pin and cotter key.

Figure 4  
Clutch Pedal Adjustment

Forgetting to keep an inch or so of clutch pedal free play can lead to premature throwout bearing failure, because the bearing is spinning all the time where the pedal is pressing it into the clutch. We don't want that. So maybe check it every time you change the oil and adjust as required.

*Have a Model A Day! Jim*

## **In The Girls Locker Room by Perry Jones, Piney Wood Model A Ford Club**

My journey to becoming the first male member of the Era Fashion Committee (EFC) started during the pandemic, by taking the six open book Fashion Judging Tests. And why not? I already had the MAFCA Fashion Guidelines. I was also participating with the EFC's Facebook group, "Model A Era Fashions – MAFCA".

Then one evening I received a call from a number I did not recognize, but I answered anyway. It was an EFC Member calling to see if I would be interested in becoming a member. My first thought was how did you get my number (probably from the MAFCA office) and why me? After a short discussion about what was a member's duty, I said give me a couple of days to think about.

I learned that the EFC is an integral part of the Model A Ford Club of America (MAFCA). It oversees the rules for judging era fashions, assists MAFCA chapters and regions with their era fashion events, and conducts extensive research on the clothing styles of the time. This committee is composed of six dedicated members, each appointed for a two-year term. With this information, I decided to write my letter of interest. I was approved by the EFC, then by the MAFCA Board and I officially became a member on July 1, 2021.

(continued on the following page)

**In The Girls Locker Room**

**Piney Wood Model A Ford Club**  
(continued from previous page)

Being a member of the EFC is not just about rules and research; it's about passion and preservation. You get to connect with like-minded individuals, spread out across the county, who share a love for vintage fashion and history. The joy of seeing a perfectly recreated outfit or helping someone discover the beauty of era fashion is immensely rewarding.

I didn't just become an EFC Member; I believe I became an EFC Family Member. We would have Zoom calls for official MAFCA meetings but they would include casual conversations and laughter and being the only male member, the conversations could be quite colorful. The same is true for in-person meetings. I have placed and received many phone calls that pertained to business but would go on for 15, 20 or 30 minutes talking about nothing and everything. From taking a ghost walk tour in Fort Worth or breaking bread with all members or just one member or while waiting for a train for an hour to take two of us to the airport gave us some one-on-one time. These are the things (and there are many more) that I cherished about my two terms of service.

But what I am most proud of is my small contribution to the monumental task of defining and documenting the guidelines for the new Fashion Display Judging.

And to all the ladies of the Committee, hats off for the countless hours, months and years of work that was done without reward except for the friendships, camaraderie, fun and the pride in a job well done. We are our own support group.

The National Cowboy and Western Heritage Museum requested a Model A for the Catholic Charities fundraiser at the Green Tie Gala. Don volunteered to take his car over there for the evening. Chuck went with him and took pictures. The pictures were also posted on the Facebook page, with some speculation that the party was for Don, but that has not been confirmed.

The Green Tie Gala is an annual fundraiser for Catholic Charities, and includes live and silent auctions featuring luxury vacations, Oklahoma City Thunder tickets, a wine and whiskey pull, live music and updates from Director Patrick Raglow on the success of the new Sanctuary Women’s Development Center that opened in July.
